Instructor:

Patrick Farnsworth – Patrick is a Cambridge DELTA qualified English teacher and examiner. He has worked with the British Council and multinational blue-chip companies.

A former accountant with KPMG, Patrick specialises in combining English teaching, business training and exam preparation, to help students achieve their career goals.

With his background as a Cambridge FCE/CAE examiner, and additionally, presentation skills and business communication training. Patrick is well equipped to prepare students for the Cambridge ICFE exams.

About the school:

B.E.S.T. was set up to provide affordable, high quality language learning. It has only qualified, experienced native speaker teachers and runs general English, exam preparation and in-company courses.

For more information, contact Patrick Farnsworth at B.E.S.T. at the above email.
